

SANITARY DISTRICT NO. 2
In cooperation with the
**Nassau County Police Department
& Baldwin Council Against Drug Abuse**

Presents....

OPERATION SHED THE MEDS

WHO:

Open to all residents of Sanitary District No. 2

WHAT:

Bring your Expired, Unused, or Unwanted Prescriptions and/or Over the Counter Drugs to the drop-off site. Needles will be accepted as well.

WHEN:

Saturday, April 20, 2013 from 11:00 AM till 3:00 PM

WHERE:

Sanitary District No. 2 located at 2090 Grand Avenue in Baldwin. (One traffic light North of Sunrise Highway.) Enter off of Baldwin Avenue

WHY:

Unused prescriptions and/or over-the-counter medications are dangerous to other family members and dangerous to the environment if disposed of improperly.

Operation Shed the Meds will:

- Dispose of drugs in an environmentally-safe manner,
- Help prevent seniors, children, and others from ingesting these medications

DROP OFF WILL BE STRICTLY ANONYMOUS

March 2013

Dear Residents,

In an effort to protect the environment, Sanitary District No. 2 will be hosting **Operation Shed the Meds**. This program will provide an opportunity for community members to anonymously and safely dispose of unused prescription medication or over-the-counter medication. We believe that this effort will provide an important service to our community as we work together to keep our children safe from the hazards of drug use.

To maintain your privacy while allowing for the proper disposal of your used medications, please remove labels prior to arrival, and write the name of the medication and the number of pills on the container. Members of the Nassau County Police Department will oversee the collection and proper disposal of all items collected.

If you have any questions, please contact Sanitary District No. 2 at 516-223-3207 or via email info@sani2.com.

We look forward to this important event and encourage your participation.

Sincerely,

Board of Commissioners

Sanitary District No. 2
